#### **Notice of a Change in Status of an Extended Benefit (EB) Program for Wyoming**

**AGENCY:** Employment and Training Administration, Labor.

**ACTION:** Notice.

This notice announces a change in benefit period eligibility under the EB program for Wyoming.

The following change has occurred since the publication of the last notice regarding the State's EB status:

- Wyoming's 13-week insured unemployment rate (IUR) for the week ending August 15, 2020, was 4.99 percent, falling below the 5.00 percent threshold necessary to remain "on" EB.
- However, Wyoming's mandatory 13-week "on" period does not expire until September 19, 2020. Therefore, the EB period for Wyoming will end on September 19, 2020. The state will remain in an "off" period for a minimum of 13 weeks.

#### **Information for Claimants**

The duration of benefits payable in the EB Program, and the terms and conditions on which they are payable, are governed by the Federal-State Extended Unemployment Compensation Act of 1970, as amended, and the operating instructions issued to the states by the U.S. Department of Labor. In the case of a state ending an EB period, the State Workforce Agency will furnish a written notice to each individual who is currently filing claims for EB of the forthcoming termination of the EB period and its effect on the individual's right to EB (20 CFR 615.13 (c)).
